Wednesday, November 14th, 2018

REVISED DATE

We invite students in grades 3-8 to ask a relative to join us during an assembly to honor them for their military service. Your relative may have served in any war or military operation with the United States. He/she must be willing to speak briefly on stage about their service, be able to climb a few stairs, and arrive by 8:45 AM. The student sponsor will also be asked to introduce their relative. Families are welcome to join us as well. Please complete the tear-off below and return it to Mrs. Foggo no later than Wed., October 31st, if this is possible for your family. She will then be in contact with parents via E-mail. Any questions: dmorettifoggo@saintroseschool.com
